Editorial:

Hi all...

Great news for all of us -the ICI student Chapter of DBIT has been adjudged as the **“MOST OUTSTANDING STUDENT CHAPTER OF KARNATAKA”** for the year 2019. I congratulate the entire faculty & the students for this commendable achievement.

I am very happy to present before you the 3rd edition of 'DBIT – CIV E –NEWS LETTER for the period July 2019 to December 2019.

It was quite an eventful period for the department. The DON BOSCO SKILL DEVELOPMENT CENTRE came into existence and through this centre many MoUs were signed with Industries engaged in professional training and placement activities.

'Engineers Day' was inaugurated by two eminent personalities, Er.Akhil Ali Khan, GM, Capacite Infra Projects Ltd., Bengaluru and Er. K.L.Mohan Rao, Chairman, CIDA, Bengaluru. Many technical events were conducted on that day.

One more important activity was a seminar on **'ENGINEERING SMART CITIES'**, supported by ICST, Bengaluru and a workshop on **'Design Thinking'** for which Dr. Daniel Albuquerque , Advisor, Planning, Chief Minister, Govt. of Goa, was the resource person.

I thank the Management, Principal and all my colleagues for their support and encouragement.

HAPPY READING
